The clinic is helmed by **Dr. Tamilarasi S**, a highly experienced and qualified dermatologist and dermatosurgeon, who has over 12 years of hands-on experience in treating a wide range of skin and hair disorders.

A Full Spectrum of Skin and Hair Services

What makes A Plus Skin and Hair Centre unique is its commitment to using the latest technologies and techniques in dermatology. Patients benefit from a range of state-of-the-art services, all delivered with utmost care and professionalism.

Here's a look at some of the most popular treatments offered:

1. Advanced Acne and Scar Management

Acne and post-acne scarring are common skin concerns among teenagers and adults alike. At A Plus, you can expect precise diagnosis and a customized treatment plan using peels, lasers, and medications — administered by the [best skin specialist in Tirunelveli](#).

2. Pigmentation Treatment

Uneven skin tone and pigmentation, such as melasma and dark spots, are treated effectively using advanced methods like chemical peels, topical therapies, and Q-switched laser technology.

3. PRP Treatment for Hair Loss

Hair loss is a growing concern, especially among young adults and professionals. One of the most sought-after procedures at the clinic is **Platelet-Rich Plasma (PRP) Therapy**. This treatment uses the patient's own blood plasma, rich in growth factors, to stimulate hair regrowth naturally.
